

Residency Requirements

RESIDENTS AND NONRESIDENTS: To buy hunting and fishing licenses with a VISA or MasterCard, call 1-800-55HUNT5, 1-800-824-3729 or go to the IDFG website at <http://fishandgame.idaho.gov> 24 hours a day. Residents must have an Idaho driver's license (to verify residency). The information must be read exactly as it appears on the license. Most licenses will be valid for use immediately. Some tags/permits are also available from these sources. The charge for processing phone-in applications is three percent (3%) of the transaction plus \$3.00; the charge for internet applications is three percent (3%) of the transaction plus \$3.50. Call 208-334-3700 for more information.

Resident:

Proof of residency is required before issuance of any resident license. A resident is defined as any person who has been domiciled in the state of Idaho, with a bona fide intent to make this his/her place of permanent abode, for a period of not less than six months immediately preceding the date of application for any license, tag or permit. A senior resident is defined as any person who is over sixty-five (65) years of age and who has been a resident of the state of Idaho not less than five years immediately preceding the date of application for a senior license or tag. Domicile means the place where an individual has his/her home to which he/she has the intention of returning whenever he/she is absent.

A driver must produce his/her Idaho driver's license as proof of residency; or a nondriver must produce suitable proof of residency, such as an Idaho Identification Card issued by the Department of Transportation, **OR** two documents bearing his/her name and address (not issued by himself/herself) such as: in the case of a child under 18, identification from a parent; rent receipts or mortgage statements for the previous six months, home utility bills for the previous six months, notarized statement from an employer on business letterhead, or proof of voter registration dated six months prior. A previous year's hunting license is not proof of residency. Ownership of real property or paying of property taxes within the state of Idaho is NOT a qualification for residency. No one can claim Idaho resident privileges while claiming resident privileges in another state (except military personnel).

A member of the U.S. military service or of a foreign country, together with spouse and children under 18 years of age, residing in his/her household, who have been officially transferred, stationed, domiciled and on active duty in the state of Idaho for a period of 30 days preceding application shall be eligible, as long as such assignment continues, to purchase a resident license. A member of the Idaho National or Air National Guard, domiciled in Idaho for 30 days preceding application shall be eligible, as long as such residency continues, to purchase a resident license.

Idaho residents who are in the U.S. military service, and maintain Idaho as their official state of residence, together with spouse and children (under 18 years of age) residing in his/her household shall be eligible to purchase a resident license. The service person himself/herself is eligible to buy a furlough license from any vendor while on leave. Other permits and validations must be attached as required.

Nonresident:

You are considered a nonresident if you:

- Have a driver's license in another state
- Register to vote in another state
- File income taxes as a resident in another state
- File a homeowner's exemption in another state.

The exception is **ACTIVE DUTY** military personnel, their spouses, and children under 18 living in their house that have been permanently stationed in Idaho and have been physically present in Idaho for at least 30 days.

Ownership of real property or payment of property taxes in Idaho does not establish residence.

Nonresident Tag Quotas: There is a quota on the sale of nonresident deer and elk tags. Quotas may be exceeded under the following conditions:

- Persons who have moved into Idaho and are establishing residency who can, by affidavit, show proof of their intent to become bona fide residents, but are not now fully qualified to buy a resident license, may purchase a nonresident deer tag and/or nonresident elk tag through the headquarters or regional offices.
IDFG may, upon receipt of an unused nonresident deer or elk tag and a notarized affidavit stating that the tag buyer has not hunted, issue an additional tag to provide a hunting opportunity within the nonresident hunter quota as follows:
- To another nonresident designated by the buyer.
- If the buyer does not make a choice and has retained an outfitter or guide, the outfitter or guide may make the designation.
- If no designation is made by the above, IDFG may sell the replacement tag on a first-come, first-served basis. The designated buyer will pay the regular fee for the replacement tag.

These licenses are valid for the lifetime of the license holder and are available to all residents of the state of Idaho. If a lifetime certificate holder moves out of the state of Idaho, they will continue to receive an annual license. Those lifetime certificate holders who move out of the state of Idaho will have to pay nonresident tag and permit fees. The lifetime certificate does not include tags and permits. Lifetime certificates can be purchased at IDFG headquarters and regional offices.
